Re: CAULFIELD RACECOURSE RESERVE - COMMUNITY CONSULTATION MEETING

The Caulfield Racecourse Reserve Trustees have appointed John Patrick Landscape Architects to prepare a Strategic Land Management Plan for the racetrack and inner landscape portion of the Caulfield Racecourse.

In preparing the masterplan the consultant is to ascertain how the Reserve could be utilised by the public, what facilities could be incorporated into the Reserve for both passive and active recreation and to identify community demands and expectations of the Reserve.

In order to contribute to this outcome the public is invited to attend one of the Community Consultation meetings to discuss the current use and future planning of the Caulfield Racecourse Reserve. Consultation Meetings will be held at:

Glen Huntly Road Park Function Room

Corner Neerim and Booran Roads, Glen Huntly

- Wednesday 9th September 2015 7.00-9.00pm
- Wednesday 16th September 2015 7.00-9.00pm

Mr Greg Sword AM (Chairman) of the Caulfield Racecourse Reserve and John Patrick Principal of John Patrick Landscape Architects will make brief presentations before providing members of the community with the opportunity to identify their vision for the site.

This Community Consultation Process will be an important part of developing an overall vision and rationale for the Masterplan and it is hoped that as many community members as possible will attend to express their views regarding the future of the Racecourse Reserve.
