

Five key themes

Lots of potential opportunities were identified through our community engagement under the following five themes.

 <h3>Environment</h3> <p>Retain and enhance the lakes. Increase vegetation and enhance biodiversity. Retain the sense of space and openness.</p>	 <h3>Community, Culture & Events</h3> <p>Recurring farmer's or community market. Night time activation. A community garden. Develop partnerships to host events.</p>	 <h3>Open Space & Recreation</h3> <p>A tan style pedestrian and cycle path. New sporting facilities and pavilions. Provide for diversity of uses and users.</p>	 <h3>Access & Movement</h3> <p>Upgrades and expansion to signage, entrances and pathways. Rebranding of public access points.</p>	 <h3>Management</h3> <p>Potential to host large format events and elevate the profile of the Reserve. Utilise technology to enable greater use of the Reserve.</p>

Our vision

“ The Caulfield Racecourse Reserve is the centre of community life. It is a community and events destination of state significance. It is also one of the premier thoroughbred racing venues in Australia. It is an accessible, vibrant, flexible and inclusive space within the broader Caulfield precinct. ”

Two priority areas

Accessibility & Activation

will be addressed in the Land Management Plan.

Two biggest issues

Access & Movement

have been identified by the community and stakeholders.

What people enjoy about the Reserve

- Natural features
- Open space
- Peaceful atmosphere
- Appreciating the wildlife
- Walking and dog walking

304
Contributions

have helped to identify the issues and opportunities that matter to the community and our stakeholders.

11 Active Groups

are helping to provide input and feedback into the project at key stages.

12 MCG's

worth of public open space will be available by 2023.

Welcome to the Caulfield Racecourse Reserve – a place for everyone.
